## *Welcome to Scotland, the home of golf, where more than 550 golf courses populate the country from head to toe!*

### *Perthshire Golf*

Perthshire is home to some of the finest inland golf courses in the world and with 40 to choose from ... you'll be spoilt for choice!

Perthshire has a long golfing legacy, indeed it is ironic that James IV of Scotland, who tried to ban the game as it conflicted with archery practice, made the first recorded purchase of golfing equipment - a set of clubs from a Bow Maker in Perth in 1502!

Working in Partnership with VisitScotland Perthshire we are able to offer guests discounted rounds at 19 of Perthshire's best courses through the Perthshire Green Card and the Highlands Golf Ticket. The ticket books will also include special vouchers for discounted admission to selected Perth Racecourse meetings and the selected Perthshire whisky distilleries including Bell's Blair Athol Distillery, Dewar's World of Whisky, the Famous Grouse Experience at Glenturret Distillery and Tullibardine Distillery

For details of courses participating in each scheme please visit:  
[www.perthshire.co.uk/golf](http://www.perthshire.co.uk/golf)

### *Fife Golf*

Fife is undeniably the home of Golf and as you might expect, the Kingdom of Fife has a wide range of golf courses to suit all levels of golfers and all budgets. There are golf courses by the sea and courses built on beautiful parkland.

We are pleased to be able to offer the First in Fife Golf Pass. The Golf Pass is operated by 12 of Fife's well known courses and offers discounted green fees when pre-paying for 3 or 5 rounds. More clubs are joining every year so the benefits will only increase!

For details of the Golf Pass please visit: [www.firstinfifegolf.com](http://www.firstinfifegolf.com)

Whatever type of course you prefer, whatever your handicap - if Golf is the reason for your visit to Scotland then by staying at the Tayside you are perfectly placed to enjoy some of the best on offer. And if you fancy a day off there are plenty of other activities and sights to keep you busy too.

Take into account our preferential rates for Golfers buying one of the above passes along our ideal location just 5 minutes from the A9 north-south road, add in our home-from-home atmosphere and home cooked cuisine and we are sure you will agree that the Tayside is a great proposition for your Scottish golfing break.

### *Golfers Welcome Scheme:*

The Tayside Hotel is proud to be associated with the VisitScotland Golfers Welcome scheme. For in depth information about what this means visit [www.visitscotland.org](http://www.visitscotland.org) or our "Awards and Schemes" page on the Hotel website.

As part of the scheme we are pleased to offer a few services to make your stay with us even more enjoyable:

- A secure drying room for clothing and club/trolley storage
- A secure charging facility for trolley batteries
- Packed lunches are available to order
- We display daily weather forecasts to ensure you dress appropriately
- Details of local courses and those slightly farther afield
- Plenty of information for a day off the course or for the non-golfer

Additionally we are pleased to be able offer a few extra services over and above those above which we feel will enhance your stay with us:

- Complimentary filling of flasks with tea or coffee
- Roast dinners exclusively prepared for your party on request
- Our Golf Packages includes itinerary planning for tee-off times, etc

For up-to-date prices please see the enclosed separate sheet or contact the Hotel.
